

14th January 2026

To whom it may concern

Business Closure

After nearly 37 years in business, the Directors have decided it is time to retire, and will be winding up the business in the coming months.

Sartech will largely cease trading on 28th February 2026. No new orders will be taken, but all existing commitments will be met, completing all existing orders and settling all liabilities.

Calibration/ repair of ARG5410 testers will continue to be supported by :

PBH Services
19 Brooke Road
CIRENCESTER
Glos GL7 1SX
paul@pbh-services.com
07595 070677

Calibration/ repair of BT200 and other WS Technologies products will be supported directly by the manufacturers <https://wst.ca>

I would like to take this opportunity to thank all our customers, suppliers and other associates for their support over the years.

With regards

Peter Forey
Managing Director
